

SUMMER • CLUB •

A child with dark hair is seen from behind, holding several large, colorful puzzle pieces (yellow, blue, red, and light blue) in front of their face. The background is a plain, light-colored wall.

SOUNDS OF SPECTRUM

LCC is offering music therapy and lessons to the children who are on the spectrum. It's time to put on your dancing shoes and thinking caps. A group of passionate students will be working under the supervision of our special needs teachers to provide a fun, interactive and learning environment for the children who are on the spectrum.
